The Community Table is the setting where we gather to break bread, visit with old pals, and raise a glass to the past, present, and future. Thank you for joining us for what will be an unforgettable experience of games and prizes, bites and drinks, and lively conversation while meeting and connecting with the Open Arms community. Please enjoy yourselves this evening. We're excited to bring our Open Arms family together to strengthen old friendships and build new ones; to share well-worn stories and begin new chapters.

THE OPEN ARMS TABLE

What started 37 years ago as friends gathered around a kitchen table creating meals for sick neighbors, has become an organization that nourishes more than 3,500 Minnesotans annually. With a community of volunteers and supporters, Open Arms grows, prepares, delivers, and ships over a million made-from-scratch, medically tailored meals every year to Minnesotans living with life-threatening illnesses and critical health issues.

We believe that Food is Medicine. Food is love. Food is community. So, grab a seat, pass the bread, pour the wine, and let's toast. From Minneapolis to St. Paul and all around the state, with the support of our neighbors, we will make sure that there is always room at the Open Arms table for one more.

Thank you for all you bring to our table.

MOVEABLE FEAST HISTORY

In the spring of 2005, a bold new vision was born for Open Arms. The annual fundraising gala, once a typical night of cocktails and auctions, was about to be transformed into something truly unique. A gathering of hundreds of guests eagerly waited at the Walker Art Center, buzzing with excitement for the highly anticipated new event: “Dish! A Moveable Feast.”

As the night unfolded, it became clear that this was no ordinary gala. Instead of spending the entire night at a single venue, guests were transported via limousine on a thrilling culinary journey to one of dozens of restaurants throughout the Twin Cities.

This daring new concept was an instant success, and the following year the event was rebranded as simply “Moveable Feast.” Now a hallmark of Open Arms, the gala has only grown in scale and popularity, but has never lost the spirit of adventure and excitement that made it a success from day one.

Today, Moveable Feast raises over \$400,000 annually for Open Arms’ mission, a testament to the power of innovation and the support of the community. From humble beginnings, this gala has truly become a night to remember, a celebration of both food, and the boundless possibilities of what we can achieve when a community comes together.
