QUESTIONS? Contact Client Services at 612-767-7333 or meals@openarmsmn.org.

**Eligibility and Starting Services**: Once a completed application has been received, it will be reviewed for eligibility. If the client is eligible to receive meals, a Client Services Associate will contact them to discuss a start date, finalize their meal plan, and answer their questions about services. Once services have started, clients will be asked to recertify every 12 months in order to determine continued eligibility for meals. A healthcare provider must complete new forms verifying the client's diagnosis and continued need for services.

**Nutrition Services:** Open Arms has registered dietitians and dietetic technicians on staff who provide free-of-cost nutrition counseling and education to clients. This service is available to complement the healthy meals that clients receive. Nutrition counseling and education is provided over the phone and may include the following:

- Review of OAM menu plan and how it plays a role in the client's health journey.
- Review of the client's health and diet history, eating patterns, health habits, weight status, nutrition difficulties, and more.
- Discussion of wellness goals and challenges.
- One-on-one guidance to help clients set reasonable goals and a plan to help them reach them based on their lifestyle, food preferences, and medical needs.
- Connecting clients with other food resources if needed.

If you have questions about our nutrition services, please contact our Nutrition team at <a href="mailto:nutrition@openarmsmn.org">nutrition@openarmsmn.org</a> or call 612-872-1152 and ask to speak with a dietitian.

Please note: Our nutrition team makes its best efforts to provide services to clients who request nutrition counseling. There are some situations in which our nutrition counseling services may not be appropriate, such as with clients who have a history of eating disorders or disordered eating habits. If our team is unable to provide nutrition counseling to a client who requests it, they will work with the client's referrer to find a clinician who is able to meet the individual's needs.

**Delivery:** Deliveries are made once a week, Monday – Friday. The delivery day is determined by Open Arms based on geography and route availability. <u>Deliveries will be made between 11:00 am and 2:00 pm on the determined delivery day.</u> Exact delivery times will vary, but **someone must be home to accept the delivery**. For food safety reasons, Open Arms will not leave food unattended. Clients may arrange to pick up meals at our office if delivery options do not work with their schedules. Please call our Client Services Department to make these arrangements.

#### PLEASE READ, INITIAL, AND SIGN ALL POLICIES AND PROCEDURES

#### What is Open Arms of Minnesota?

Open Arms of Minnesota is a nonprofit that prepares and delivers medically tailored meals free of charge to Minnesotans with life-threatening illnesses. Our registered dietitians guide our trained chefs in developing delicious, made-from-scratch meals tailored to specific illnesses. We also deliver meals to caregivers and dependent children if needed. At Open Arms, we believe that food is medicine, and that the right food can make a critical difference in the health of our clients.

- Meals may be delivered to a home address or workplace within our delivery area or picked up at our Minneapolis
  office, our St. Paul office, or a satellite location once per week.
- Each weekly delivery includes 14 meals, featuring entrees with vegetable sides, fruit, desserts, snacks, and more.
- Clients work with our nutrition team to choose from one of our menus, with options to possibly modify further based on needs.
- Eligibility for meals is based on information collected on the application form. A healthcare provider must verify illness and medical history.

#### What are my responsibilities as a client?

To assure efficient, high-quality service, clients are responsible for the following:

- Paperwork: Complete all necessary paperwork as requested in order to receive meals. This includes submitting
  an annual or semi-annual recertification form completed by you and your healthcare provider which states your
  medical, treatment, and mobility status. If you do not submit recertification paperwork by the due date, Open Arms
  may suspend your meal services until eligibility can be reassessed.
- Contact Info: Notify Client Services if your address or phone number changes.
- Cancellations and Missed Deliveries: You must follow the Missed Delivery Policy or the meal pickup policy as described on page 8 of this document. If you will be unavailable for an extended period of time, such as a vacation or hospitalization, you may pause your meal services until you return.
- You must treat all OAM staff, volunteers, and drivers with respect and courtesy. Any party receiving a
  delivery must be fully clothed.
- You are responsible to know and follow your diet restrictions. OAM will accommodate special diet restrictions if possible, but we are not an allergen-free facility and cross-contamination may occur.
- OAM does not supply complete daily nutrition. You are responsible for supplying the rest of your daily food/nutrition needs. You can find additional food resources here: www.hungersolutions.org.

## What are my rights as a client?

As a client of OAM, you have the right:

- To be treated with dignity and respect.
- To be informed of any changes made to client policies and procedures.
- To confidentiality, protected by staff, volunteers and all others associated with OAM to the best of their ability.
- To have every reasonable effort made to accommodate special dietary needs and restrictions.
- To contact OAM if you have concerns or complaints about food, service, or treatment by staff or volunteers and to be informed of the Grievance Procedure.
- To provide input, suggest changes, offer criticisms, and relay comments.
- To receive interpreter services at no cost to you.

Initial here to indicate you understand these rights:

**Data Privacy Policy:** When you agree to participate in this meal-delivery service provided by Open Arms of Minnesota, you will be asked to provide information that is entered into a limited-access, centralized database at the time of enrollment and periodically thereafter. Open Arms of Minnesota will maintain your confidentiality at all times. Any identifying information obtained in connection with your participation in Ryan White funded services will only be disclosed to other providers with your written consent. You will not be identified or identifiable in any written reports or publications.

Any information you give is voluntary and will not be released without your knowledge or consent except under specific circumstances. You may refuse to provide any of the information requested; however, refusal to provide information required for the provision of services may result in restriction of access to Ryan White services. ## **Missed Delivery Policy:**

We expect someone to be at your delivery address to accept the meals on your scheduled delivery day. Deliveries are generally made between 11:00 am and 2:00 pm; someone must be available to accept the delivery during the entire delivery window. For food safety reasons, we are not able to leave food unattended, even in a cooler or enclosed porch. You may give us an alternate delivery location, such as a neighbor or the office of your building (we will need a contact and will verify their willingness to be your alternate delivery location); alternate delivery arrangements must be made at least one business day in advance. **An unexcused missed delivery** is when we attempt to deliver your meals on your regularly scheduled day, and no one is home to receive them.

If you will not be home during your regular delivery time, please call us <u>at least 2 business days in advance</u>. We can either cancel or reschedule your delivery if we are going to your neighborhood another day. Telling a volunteer driver that you will not be home for delivery is not sufficient notice for a canceled delivery. You must speak with a Client Services staff member or leave a voicemail at 612-767-7333. If you will not be home during your delivery window due to a last-minute change in your schedule, please call us no later than 8:00 am on the day of your delivery and speak with a Client Services staff member or leave a voicemail.

We are not able to safely redeliver the food that we attempt to deliver for you. To avoid waste, maintain our food costs, and respect our volunteers' time, we will not re-deliver an unexcused missed delivery and we will not be able to provide meals to you that week. Consistently failing to inform Client Services that you will not be home to receive your meals will result in your meals being stopped. Your meal service will be stopped if you have three unexcused missed deliveries within a six-month period. You will become ineligible for deliveries for a period of three months. If picking up meals at our building is a better fit with your schedule, you must call and speak with Client Services to make arrangements and will be expected to follow the meal pickup policy described below.

Clients who pick up meals at Open Arms: You are expected to pick up your meals once a week. If you cannot pick up your meals during the week, you must speak with a Client Services staff member or leave a voicemail at 612-767-7333. Failure to pick up your weekly meals without notice will be considered a missed pickup. Your meals will be stopped after 3 unexcused missed pickups in a six-month period, and you will become ineligible for meals for a period of three months.

**Weather-related Delivery Cancelations:** We do our best to deliver your meals through all of Minnesota's seasons. When weather is too harsh for our volunteer delivery drivers, we may cancel deliveries.

- On days of weather-related cancellations, we will notify you as soon as possible.
- We will reschedule your canceled delivery as soon as the weather allows.

Initial here to indicate you understand and agree to the Missed Delivery Policy:

#### What is the non-discrimination policy?
