AN INNOVATIVE WAY TO NOURISH OUR NEIGHBORS

Open Arms of Minnesota is a nonprofit organization that prepares and delivers nourishing meals free of charge to critically ill Minnesotans and their loved ones. Our registered dietitians and in-house chefs create delicious, medically tailored menus using fresh and organic ingredients whenever possible. Through the support of a loving community of donors and volunteers, we harvest, cook, deliver, and ship nutritious, made-from-scratch meals directly to our clients.

Each of the meals we provide to our clients costs \$10 to prepare and deliver. Our community partners can help support these meals in an innovative way. Rent space in our Open Arms facilities for your next gathering, or hire our highly skilled team of professional chefs to cater your event on-site or off-site with a menu crafted to meet the dietary needs of everyone in your party. Proceeds from room rental and catering help fund meals for our clients and their loved ones!
