What is Open Arms of Minnesota?

Open Arms of Minnesota is a nonprofit that prepares and delivers medically tailored meals free of charge to Minnesotans with life-threatening illnesses. Our registered dietitians guide our trained chefs in developing delicious, made-from-scratch meals tailored to specific illnesses. We also deliver meals to caregivers and dependent children if needed. At Open Arms, we believe that food is medicine, and that the right food can make a critical difference in the health of our clients.

- Meals may be delivered to a home address or workplace within our delivery area or picked up at our offices in Minneapolis or St. Paul, or a satellite location once per week or every other week.
- Each weekly delivery includes up to *14 meals, featuring entrees with vegetable sides, fruit, desserts, and more. *(varies based on funding source, menu type, and client choice)*
- Clients work with our nutrition team to choose from one of our menus, with options to possibly modify further based on needs.
- Eligibility for meals is based on information collected on the application form. **A healthcare provider must verify illness and medical history.**

What are my responsibilities as a client?

To assure efficient, high-quality service, clients are responsible for the following:

- **Paperwork**: Complete all necessary paperwork as requested in order to receive meals. This includes submitting an annual recertification form completed by you and your healthcare provider which states your medical, treatment, and mobility status. If you do not submit complete recertification paperwork by the due date, Open Arms may suspend your meal services until eligibility can be reassessed.
- **Contact Info**: Notify Client Services if your address or phone number changes.
- **Cancellations and Missed Deliveries**: You must follow the Missed Delivery Policy or the meal pickup policy as described on page 8 of this document. If you will be unavailable for an extended period of time, such as a vacation or hospitalization, you may pause meal services until you return.
- **You must treat all OAM staff, volunteers, and drivers with respect and courtesy**. Any party receiving a delivery must be fully clothed.
- **You are responsible to know and follow your diet restrictions**. OAM will accommodate special diet restrictions if possible, but we are not an allergen-free facility and cross-contamination may occur.
- **OAM does not supply complete daily nutrition.** You are responsible for supplying the rest of your daily food/nutrition needs. You can find additional food resources here: www.hungersolutions.org.

What are my rights as a client?

As a client of OAM, you have the right:

- To be treated with dignity and respect.
- To be informed of any changes made to client policies and procedures.
- To confidentiality, protected by staff, volunteers and all others associated with OAM to the best of their ability.
- To have every reasonable effort made to accommodate special dietary needs and restrictions.
- To contact OAM if you have concerns or complaints about food, service, or treatment by staff or volunteers and to be informed of the Grievance Procedure.
- To provide input, suggest changes, offer criticisms, and relay comments.
- To receive interpreter services at no cost to you.

Initial here to indicate you understand these rights: _____

Data Privacy Policy: When you agree to participate in this meal-delivery service provided by Open Arms of Minnesota, you will be asked to provide information that is entered into a limited-access, centralized database at the time of enrollment and periodically thereafter. As required by contractual agreements the program may also provide personally identifiable information to funders such as MDH and Minnesota Board on Aging or other contracted funders. Open Arms of Minnesota will maintain your confidentiality at all times. Any identifying information obtained in connection with your participation in Open Arms services will only be disclosed to other providers with your written consent. You will not be identified or identifiable in any written reports or publications. Any information you give is voluntary and will not be released without your knowledge or consent except under specific circumstances. You may refuse to provide any of the information requested; however, refusal to provide information required for the provision of services may result in restriction of access to services. You have privacy rights under the Minnesota Government Data Privacy Act and the federal Health Information Portability and Accountability Act (HIPAA). These laws protect your privacy and enforce your right to know about the information you are asked about yourself while accessing services.

Initial here to indicate you understand and agree to the Data Privacy Policy: _____

What is the grievance procedure? As a client, you have the right to contact OAM with concerns. If a client believes they have been treated unfairly by Open Arms:

1. Client should seek to resolve any disagreement or dispute with the person involved, whether staff, volunteer, or other person associated with OAM. You may call Client Services staff at 612-767-7333.
2. If not resolved, the client should contact the Manager of Client Services with a written grievance within 10 days. The Manager of Client Services will have 10 days to respond to the complaint.
3. If the above fails to resolve the situation, the grievance will be given to the Director of Programs for review and resolution. Action and recommendations will be made by the Director of Programs and communicated within 30 days of the written notice.

Initial here to indicate you understand and agree to the Grievance Procedure: _____

What is the non-discrimination policy?

OAM will not discriminate against or harass any client or applicant for services because of race, color, creed, ethnicity, national origin, religion, disability status, veteran status, status with regard to public assistance, age, sex, gender identity, sexual orientation, or marital status.

Initial here to indicate you understand and agree to the non-discrimination policy: _____

Behavior Policy:

It is a requirement and expectation that you treat all OAM staff members, volunteers, and drivers with respect and courtesy. If any staff member, volunteer or driver is treated with disrespect, including but not limited to yelling, cursing, aggressive or lewd behavior, you will be notified of an offense, and documentation will be added to your file. In the event of repeated offenses, Open Arms reserves the right to remove you from services. Open Arms also reserves the right to terminate services sooner than three offenses if the behavior is escalated and could cause mental or bodily harm to an OAM staff member, volunteer, or driver.

Initial here to indicate you understand and agree to the Behavior policy: _____

Missed Delivery Policy:

We expect someone to be at your delivery address to accept the meals on your scheduled delivery day. Home deliveries are generally made between 11:00 am and 2:00 pm; someone must be available to accept the delivery during the entire delivery window. For food safety reasons, we are not able to leave food unattended, even in a cooler or enclosed porch. You may give us an alternate delivery location, such as a neighbor or the office of your building (clients must provide contact information and verify their willingness to be an alternate delivery location); alternate delivery arrangements must be made at least one business day in advance. An unexcused missed delivery is when we attempt to deliver your meals on your regularly scheduled day, and no one is home to receive them.

If you will not be home during your regular delivery time, please call us **at least 2 business days in advance**. We can either cancel or reschedule your delivery if we are going to your neighborhood another day. Telling a volunteer driver that you will not be home for delivery is not sufficient notice for a canceled delivery. You must speak with a Client Services staff member or leave a voicemail at 612-767-7333. If you will not be home during your delivery window due to a last-minute change in your schedule, please call us no later than 8:00 am on the day of your delivery and speak with a Client Services staff member or leave a voicemail.

We are not able to safely redeliver the food that we attempt to deliver for you. To avoid waste, maintain our food costs, and respect our volunteers' time, **we will not re-deliver an unexcused missed delivery and we will not be able to provide meals to you that week**. **Consistently failing to inform Client Services that you will not be home to receive your meals will result in your meals being stopped.** Your meal service will be stopped if you have three unexcused missed deliveries within a six-month period. You will become ineligible for deliveries for a period of three months. If picking up meals at our building is a better fit with your schedule, you must call and speak with Client Services to make arrangements and will be expected to follow the meal pickup policy described below.

Clients who pick up meals at Open Arms (or designated satellite location): You are expected to pick up your meals as scheduled. If you cannot pick up your meals during the week, you must speak with a Client Services staff member or leave a voicemail at 612-767-7333. Failure to pick up your weekly meals without notice will be considered a missed pickup. Your meals will be stopped after 3 unexcused missed pickups in a six-month period, and you will become ineligible for meals for a period of three months.

Weather-related Delivery Cancelations: We do our best to deliver your meals through all of Minnesota's seasons. When weather is too harsh for our volunteer delivery drivers, we may cancel deliveries and satellite site pick-ups.

- On days of weather-related cancellations, we will notify you as soon as possible.
- We will reschedule your canceled delivery as soon as the weather allows.

Initial here to indicate you understand and agree to the Missed Delivery Policy: _____
